

Cautions for using City Bike Parking

- 1 Please park your bike at the designated area, and do not park at entrance or alleyway.
- 2 In order to prevent accidents, please walk your bike and turn off the engine of your bike in the parking lot.
- 3 Smoking is prohibited in the Bike Parking area.
- 4 You will be liable for any damages to the facility and other bikes within the Bike Parking area.
- 5 We shall not be held responsible for theft or damage to your bike within the Bike Parking area. Please make sure to check the other Usage Agreement posted in the parking facility.

There have been a large number of thefts.

Please make sure to lock your bike.
(Caution: Do not forget to lock your bike.)
We recommend double locks.

If your bike is stolen...

Please file a police report on the theft by yourself.
(There are cases that bikes were found.)
In addition, please notify a member of staff.
In case of theft or loss, commuter passes can be reissued.

Regarding Paid Free-Space Parking:

There are Paid Free-Space Parking areas for users picking up bikes after hours at certain locations (Exceptions may apply for some bike parking lots). Charges will be applied for these spaces. Please pay a parking fee.

Regarding long-term parking:

If left overnight, or if a commuter pass has expired over 2 weeks, the bike will be removed, and it will be disposed of if it is not reclaimed within 2 months from the date of removal. Please be aware that the charge may become expensive due to number of days parked.

※You may not be able to retroactively purchase coupon tickets or a commuter pass at the time of your reclaim.

Regarding Special Purpose Cycles such as those with fat tires:

Please consult a member of staff for parking a bike which does not fit in a rack, such as those with fat tires. Please note that we are unable to assume responsibility when you damage your bike by forcing it into a bike rack.
