## [Guide for using our Facility]

- \* Please act responsibly at our Facility. We will assume no responsibility for any accidents or injuries sustained at our Facility. Both guardians and children should be careful about safety and please remember to keep an eye on your children at all times.
- \* Our facility is not a day care center. Please take your child with you when you leave the play room even when it is only for a short time, such as going to use the restroom or for nursing.
- \* Do not bring toys, snacks, or juice to our Facility.
- \* Take any garbage and/or used diapers with you.
- \* Make sure your child is well before using the Facility. If your child is sick, they cannot use our Facility.
- \* Refrain from using our Facility as a meeting place for club and other unrelated group activities.
- \* Keep your valuables to yourself.
- \* Smoking is prohibited here.
- \* Do not use your mobile phone in this facility, including talking, texting, and taking photos and videos. In case of emergencies, use it at the entrance area.
